TUCK'S POST CARD.

CARTE POSTALE. POSTKARTE.

(FOR ADDRESS ONLY.)

Rydal Water is one of the smallest lakes in the district, but it is one of the most beautiful. Rydal village stands near the foot of the lake. Situated on the brink of the lake is a rock with steps cut in it which is called Wordsworth's seat: it is said to have once been a favourite resort of this poet. Hills surround the lake on all sides, which naturally add to its beauty.
